

## NQT Induction and Mentoring Programme - specialist EYFS

**An essential part of your school's recruitment and retention**

**Our NQT Induction programme is tailored to meet the needs of EYFS NQTs in nursery and reception (10 Monthly half-day sessions)**

“This course has given my NQT real confidence in her work and has started the process of change from her being a Primary trained teacher working in the nursery, to a teacher with Early Years specialism,’ enabling our children to reach their full potential.” Head Teacher, Maintained Nursery School

The programme provides quality input to support your NQT in meeting the required Teachers' Standards and has specific emphasis on meeting the requirements of the EYFS Statutory Framework.

These NQT Induction sessions provide an opportunity for NQTs to meet, reflect upon, and share their practice with NQTs working within different contexts. Included in the programme is a free place for your NQT at the STEEP Early Years Conference at Goldsmiths University of London, plus discounts on further tickets.

Participants will also be invited to a **FREE cross-phase Lewisham NQT welcome event** on Thursday 26 September 2019 13:00 - 15:50 (for Lewisham NQTs) at Haberdashers' Aske's Hatcham Temple Grove Primary School. Bookings at <http://schoolsservices.lewisham.gov.uk/Event/97825>
